

# Spring Grower Meeting

## Elwynn Taylor Presentation Links:

Auto Chart Plotting Tool -- <https://mesonet.agron.iastate.edu/plotting>

This is the tool Elwynn used to create many of the charts he used.

If you want to use different parameters than were used in the Presentation, follow this link.

Wind Meters --

[Kestrel Pocket Wind Meter](#)

Wind/Precipitation Direction and movement --

<http://hint.fm/wind/>

AgClimate Viewer -- <http://mrcc.isws.illinois.edu/U2U/ACV/>

View historical climate and crop yield data in the corn belt.

Seasonal Guess:

Subsoil Moisture -- <https://www.longpaddock.qld.gov.au/>

Seasonal Outlooks -- <http://www.cpc.ncep.noaa.gov>
